

ETA's **BACK IN THE SADDLE** Program

Are you ...

Afraid of riding after a run-away? Afraid after a bad fall? A teen or adult rider a bit sedentary, a bit out-of-condition, in need of encouragement?

Did you ride as a child, but has it been years or decades that you've missed riding?

Join us at ETA, learn from our experienced, NARHA and PATH certified instructors, and experience the joy of riding our award-winning, show-quality therapy animals! We tailor all lessons to individual needs. Our pace is relaxed, we use music, games, and lots of warm-up exercises. This is a genuinely relaxed and stress-less lesson program.

Get Back in the Saddle at ETA!
